## WHO WE ARE

Fidelity Protective Services is a Maryland-based security firm founded on Prince George's County law enforcement experience. We are not a guard vendor. - **Retail and luxury retail** — Armed and unarmed coverage for regional shopping centers and high-value retail locations across the DMV, including access control and incident response.
- **Commercial and mixed-use property** — Front-desk, lobby, and perimeter security for commercial and mixed-use properties, matched to each site's risk profile.
- **Government and public-facing facilities** — Standards-driven posts delivering the written documentation and reporting that public contracts require.

## DIFFERENTIATORS

- Law-enforcement-founded management — built on public safety experience, not assembled from a staffing agency.
- Over 15 years of combined experience in the security industry.
- Licensed and operating in three jurisdictions (MD, DC, VA), with licensing in hand before work begins.
- Documentation discipline — written post orders, logged patrols, and same-day incident reporting on every post.
